DEAL MAKERS AWARDS 2006 RULES & REGULATIONS

I. ADMINISTRATION

Annually, the President-Elect of the CRCBR shall appoint a committee which will consist of five members, including one member of the Board of Directors of the CRCBR. Appointed members shall select a chairman of the committee and may appoint additional members to assist in the review and selection of the award applications. All members of the committee are required to sign a non-disclosure agreement as required by the Board of Directors. Original copies of each executed form will be kept in CRCBR's offices.

II. REVIEW PROCESS

The Board of Directors has the right to modify or amend the Rules and Regulations at its discretion. The Rules & Regulations shall remain in effect until modified by the Board of Directors.

The Deal Makers Awards Committee is authorized to set an application fee, at its discretion, prior to asking for applications for participation in the awards program. This fee shall cover the costs of promoting and honoring the Deal Makers Awards applicants, as well as any awards, plaques or certificates to be given to each recipient. In the event an applicant does not qualify for membership, the application fee will be returned.

III. AWARDS

Silver and Gold Categories: All applicants (brokers and developers) submit transaction worksheets detailing transactions for 2006. Based on overall sales volume, all applicants will be recognized in either the Silver or Gold category. The Silver category will be awarded to those applicants who have produced over \$2,000,000 and less than \$10,000,000. The Gold category recognizes applicants over the \$10,000,000 production level.

Lifetime Achievement: A member who has been elected to the Deal Makers Awards Program for 10 to 15 years.

Top Producers by Category: The top three applicants in the categories of industrial, office, retail, investment and land sales will be recognized based on total "Broker" volume within each specific category.

Charlotte Region Top Producer: The applicant who produces the highest dollar volume, based on transactions within the 18-county CRCBR region, in the "Broker" category, may be recognized as the "Charlotte Region Top Producer".

Overall Top Producer: The applicant who produces the highest dollar volume, in the "Broker" category, may be recognized as the "Overall Top Producer". If this is the same person as the Charlotte Region Top Producer, only one award will be presented.

IV. SPECIAL RECOGNITION AWARDS

Transaction of the Year Award - This award is not given annually; it is discretionary per the review committee. This award recognizes creativity above monetary value. Consideration for the Transaction of the Year Award will be based on factors including uniqueness, civic/community value, or the level of risk and success. The transaction must occur within the 18-county CRCBR region. *Please note that the application narrative may be published in the Charlotte Business Journal, so be sure to remove sensitive or confidential information.*

Rookie of the Year – The Rookie of the Year must have practiced commercial real estate for a maximum of two years as a licensed broker/agent. The winner of this award will be a high producer who has more than 50% of the dollar value of their transactions in the brokerage category, and someone who has participated in and contributed to the commercial real estate industry. On team accounts, a Rookie can only receive credit based on the applicant's percentage of the commission earned on the deal. There will be no minimum dollar threshold for this category; however, an individual may only win this award once.

V. REQUIREMENTS FOR APPLICATION

1. Any applicant who is licensed by the North or South Carolina Real Estate Commission, and who is a REALTOR® member in good standing in CRCBR (current year dues have been paid) at the time of submitting his/her application, as well as at the time of the presentation of the Deal Makers Awards Program may apply.
2. The applicant must produce new real estate brokerage business of \$2,000,000 or more during the production year as defined by the Deal Makers Awards Program Volume Rules.
3. An applicant must submit a properly executed application form to the Charlotte Region Commercial Board of REALTORS®, via Deloitte. Applications will be accepted by mail or express. Mail application to: Deloitte, Attn: Bob Branan, 227 W. Trade St., Ste. 1100, Charlotte, NC 28202. **Hand deliveries will be accepted by the Carillon Building security desk (in lobby) until 3:00 pm on January 15-17, 2007 ONLY.** Hand deliveries must be in a sealed envelope addressed to Deloitte, Attn: Bob Branan, 227 W. Trade St., Ste. 1100, Charlotte, NC 28202.

Applications must be received no later than 3:00 pm on January 17, 2007.

NOTE: The Deal Makers Awards Committee has final authority to determine the top award winners in each category.

VI. RULES FOR CALCULATING DEAL MAKERS AWARDS PROGRAM VOLUME CREDIT

1. **Term:** For business to count toward Deal Makers Awards volume, the transaction date must be during the qualifying year, which is from January 1 through December 31, 2006.
2. **Co-Brokerage:**
 - a) In a typical co-brokerage transaction involving a landlord/owner representative, the landlord/owner representative shall receive credit for 50% of the transaction value and the tenant/buyer representative shall receive credit for the other 50%.
 - b) The only time an agent shall receive more than 50% credit of the total transaction is when an agent acts as a dual agent.
3. **Brokerage Teams**
 - a) If more than one individual participates on the same side in any sale or lease transaction, the volume credit for each individual shall be in the same proportion as the percentage of the commission paid to each individual in total. This also holds true for referrals.
4. **Broker/Developer Categories**
 - a) Qualification for the Broker/Developer Category awards is determined per transaction.

Developer Category: If the company where your license is held is an owner, partner, member, affiliate or related party to the transaction, then the transaction will be considered for the Developer Award Category. When completing the award transaction worksheet, the amount of this transaction should be entered into the "Developer" column. Subsequently, if the

property/building is sold and the developer, related entity, or company retains the leasing duties of that property/building, then any subsequent transactions shall be also entered in the "Developer" column.

Broker Category: If an applicant represents a third party owner in which the applicant holds no financial interest, then the transaction will be considered for the Broker Award Category. A Broker will be credited for a lease transaction or any lease renewals for which he/she was actively involved in negotiations. The amount of this transaction should be entered into the "Broker" column.

Example: If a broker with Trammell Crow represents a tenant in a deal done at a building owned and listed by another unrelated company, then that deal is considered in the "Broker" Category.

If the same broker leases space in a building where he/she has a listing agreement with a third-party owner (an owner not related in any way to Trammell Crow Company), and the building is one which Trammell Crow or a related entity did not develop, then that deal is also considered in the "Broker" Category.

If the same broker leases space in a building where he/she has a listing agreement, and either Trammell Crow developed the building for themselves or as a fee developer for the owner, or Trammell Crow or an entity related to Trammell Crow (i.e., TC-Smith, LLC) owns the building, then that deal is considered in the "Developer" Category, whether or not this broker considers himself/herself a developer.

- b) Developers will qualify for the Gold and Silver awards, but will not be eligible for the Overall and Top Producer Awards.

4. **Lease:**

- a) Total lease volume is total rent to be received over the fixed term of the lease. Rent shall include all revenue paid to the landlord on which a commission would be paid. In the event a lease has a cancellation option, credit shall be given for the revenue from the non-cancelable portion of the lease plus any early termination fee or penalty contained in the lease.
- b) Credit shall be allowed for expansions or renewals that are exercised during the qualifying year, if applicant is active in that negotiation.
- c) The effective date for lease transactions shall be the date of lease execution.

5. **Sales:**

- a) In a sales transaction, all raw land will count toward the land category in the top producer awards.

Example: A sale of vacant retail land out-parcel is considered a land sale, however, a sale of a vacant retail out-parcel building to a user is considered a retail transaction.

- b) Transactions will be classified as investments where the buyer is purchasing the property for an investment and not for their own use. User sales of office, industrial and retail properties will count toward the top producer awards in their respective categories.

Example: Transactions will be classified as an investment sale only when the buyer is purchasing the "income producing" property for an investment and not for their own use. User purchases of office, industrial and retail properties will count in their respective categories (office, etc.) and not as an investment sale.

- c) The effective date of sales transactions shall be the date on which the title passes.
 - d) If an applicant sells shares of ownership in a property (or partnership, corporation or co-tenancy owning property) through syndication, then the volume credit shall be calculated by multiplying the percentage interest of the entity sold by the total sales price of the entity sold.
 - e) If an option to purchase is exercised during the term of the lease, credit may be claimed for the purchase price less any future payments that have been previously applied to qualify for the Deal Makers Awards Program.
6. Consideration for the Charlotte Region Top Producer will be based on transactions within the 18-county CRCBR region.
 7. Deal Makers Awards volume credit shall be given only for an applicant acting in a transaction as a sales/lease person.
 8. For purposes of this application, the "Firm Name" shall be the firm at which the broker closed the majority of his/her transactions base on the dollar value.
 9. No credit shall be allowed for any transaction in which a fee is not contingent upon the actual closing of the transaction. No credit shall be allowed for appraisals, evaluations, consultations or salaried business.
 10. For a transaction to qualify for credit, the real estate commission or fee paid must be reported on the transaction's closing statement, lease, listing contract or in a valid commission agreement. The Deal Makers Review Committee shall have the right to review with any applicant, the documents relating to the transaction, which are deemed relevant by the Review/Audit Committee including company pay vouchers. Failure to provide requested documents when requested by the Committee shall eliminate that applicant's eligibility. **The transaction worksheets for the top five broker applicants in each category will be audited for accuracy.**
 11. Residential transactions do not qualify for credit. However, this does not preclude consideration for transactions of land for investment or development.
 12. Total production volume for all applicants qualifying for top awards will be disclosed by category as a lump sum to the media and in future promotions. Individual production totals will not be released unless authorized by the applicant.

DEAL MAKERS AWARDS 2006 FREQUENTLY ASKED QUESTIONS

Who do I make my application fee payable to?	CRCBR
Where do I send my application?	Deloitte Attn: Bob Branan 227 W. Trade St., Ste. 1100 Charlotte, NC 28202
When completing the transaction worksheet, do I only include sales where the BIC acted as the agent, or can I also include transactions of the other brokers in the office? I have the same question regarding the leased commercial property.	The award is given to the individual, not the company. Each applicant should list only the deals when they acted as an agent in the transaction.
If an applicant is the only broker in a deal, do they get 100% credit? (e.g. if one side is not represented by a broker)	Yes. If the applicant is the only broker involved in the deal, he/she receives full credit for the deal.
Can a non-member upgrade their membership to a full CRCBR REALTOR® Member in order to participate in the program?	Yes. As long as all dues and initiation fees are paid by the application deadline.
If an applicant is a member of a team (in a firm), how is the credit figured?	when 50% goes to the landlord representation, the team divides the commission credit 50/50%, then the applicant takes 25%
Do I need to complete the form for each transaction – even if I have 150 transactions?	Yes. This provides consistency between submissions. You may submit an Excel spreadsheet in the same format as CRCBR's worksheet.
I am the listing agent on buildings owned by a partnership controlled by a developer. Can a lease agreement which I co-brokered (and full brokered) be counted under the "developer" or "broker" category?	You should credit these transactions under the "developer" category.
Later, I negotiated a 10-year lease agreement and participated in the building's sale. How should these transactions be listed?	You may take credit for the value of EITHER the sale or the lease of the building, but not both, as it was not an investment sale.
I was responsible for project managing/developing two buildings on behalf of a partnership. Does this transaction on which I was developer/project manager, count towards Deal Maker award categories?	Construction/Project Management are not viable transactions for categories within the Deal Maker Awards.
